YBSP CANADA : CRA CHARITABLE REGISTRATION DOSSIER

Transition Roadmap: Federal Not-for-Profit Corporation to CRA Registered Charity (CG-019)

1. Executive Summary & Legal Gap Analysis

Youth Building in Synergy to end Poverty (YBSP Canada) is a federally incorporated not-for-profit corporation (Corporation # 1154010-6, BN 779321272RC0001) registered on July 29, 2019. To obtain registered charitable status with the Canada Revenue Agency (CRA) under paragraph 149(1)(f) of the Income Tax Act, the corporation must be constituted exclusively for charitable purposes and devote its resources exclusively to charitable activities.

Analysis of Original 2019 Articles of Incorporation (Form 4001): The original Purpose Schedule contains non-charitable language: *'Organiser des événements, des petits commerces, des levées de fonds... etc.'* Under CRA Guidance CG-019:

- *'Petits commerces'* (commercial business activities) is explicitly prohibited as a stated purpose under CG-019 para 24.
- *'Levées de fonds'* (fundraising) is an operational mechanism, not an independent charitable head.
- *'etc.'* is disqualified for lack of precision. However, Section 8 (Liquidation to a qualified donee under ITA 248(1) and $0 director remuneration) is already 100% compliant with CRA requirements.

2. Proposed Charitable Purposes (Compliant with CRA Guidance CG-019)

Category (What)	Charitable Purpose Wording (How & Who)
Relief of Poverty (Soulagement de la pauvreté)	To relieve poverty by providing basic necessities of life, including food hampers, clothing, clean water, and school supplies, to vulnerable youth and families in Canada and developing regions, with an initial focus on Burundi.
Advancement of Education (Avancement de l'éducation)	To advance education by providing structured career mentorship, digital workplace literacy, and practical technology workshops to newcomer, diaspora, and equity-deserving youth to build practical employment competencies.
Relief of Poverty & Livelihoods (Moyens de subsistance)	To relieve poverty by providing vocational starter equipment (including tailoring machines, carpentry sets, and agricultural tools) to disadvantaged youth graduating from trade apprenticeships to foster economic self-sufficiency.
Promotion of Health (Promotion de la santé)	To promote health by organizing community wellness dialogues, emotional resilience workshops, and supportive peer sessions for youth facing systemic barriers, facilitated by qualified facilitators and community leaders.
Qualifying Disbursements (Débours admissibles)	To make qualifying disbursements to qualified donees and eligible grantee organizations in accordance with subsection 149.1(1) of the Income Tax Act to further the charitable purposes of the corporation.

3. Step-by-Step Filing Roadmap
